WM. E. PELL, PROPRIETOR.

THE CARPET BAGGERS.

Hon. Geo. E. Pugh, of Ohio, during his great speech at Cincinnati, recently, noticed the carpet baggers thus:

"I do not want the expansion of the currency for another reason. Taking advantage of the fact that the Senators and Representatives from the Southern States, which were agricultural States, were out of Congress, those New England manufacturers improved the opportunity to put the screws on us, and enact a tariff greater and heavier than we ever had before. They say: "We have reduced the taxes." On what have they reduced the taxes? On manufactures! Will that reduce the price of manufactured goods? Not while that high tariff stands; for while the tariff stands, no similar goods can be imported from abroad, and Mr. New England man has the monopoly of the market, and can charge what he wants. That reduction of taxes is not for you; it is for them.

Do you wonder why they refuse to admit representatives truly representing the people of the agricultural States? Do you wonder why they want negroes to represent the Southern States? Do you wonder why they want that other class of vermin, meaner than the meanest thing heretofore known on the face of the earth—I mean the carpet-bagger? Because he represents nothing.—He is like the locust or the grasshopper of this year, that passes away, and no man knows his habitation. Those who do represent the people of those States will submit no longer to this New England imposition which is put upon them. In every department of the Government, in every way in which it could be done, our money wrung from us, and kept from the Treasury by the legislation of this infamous Congress, has been used to plunder the people of the agricultural States; to skim off the rich alluvium of our valleys to make the bleak shores and barren mountains of New England smile.

But, fellow citizens, before we can return to specie payments—before we can do anything—we must again restore the vast resources of our country, which existed before the war. We must restore stability, industry, and the rewards of industry, to that great section of our country which lies south of the Ohio river. When we have restored those vast agricultural resources of wealth to the tax duplicate, then the sinews of our neighbor may be a little relaxed. Before the war, what did we export? Very little pork; very little wheat or flour. We exported cotton, and rice, and tobacco, and sugar; and these have all been destroyed, in order that we might show a sufficient philanthropy toward the negro.

We must restore the condition of those States; we must have that wealth to bear the taxes which are necessary to support this public debt, and to reduce it—by an equal system of taxation, and by an honest administration of the Government—to reduce this tax to some reasonable amount.—And, now, are we going to get the help of the Southern States with these gentlemen in power? No, never. To be sure, they say so. It is almost done. Virginia is standing out, to be sure; and Mississippi standing out; and Texas standing out; and Alabama wanted to stand out—but they enticed her in with a stick. And what have they got for it? Got State Governments in the South? Why, I read in this morning's paper the complaint of one of these carpet-baggers from Tennessee, and another carpet-bagger from South Carolina, praying that this House of Representatives would not adjourn, although it was very hot weather; for if they did adjourn without arming the negroes the State governments would disappear before the day of the Presidential election. [Laughter.]

There was no body for them except these men whom we have imposed on them through this Congress, the very scum of the earth. The people who could never be elected to office among us have gone down there, and while nearly the whole of the white population have been disfranchised, in violation of the Constitution, in violation of the laws of war, in violation of the laws of nations; while this has been done, these impostors, these creatures, without honor and without shame, are returned to fill the seats in Congress once filled by Calhoun and Jackson, and such great names in the history of our country. [Applause.]

CONSERVATIVES AND DEMOCRATS NOT REVOLUTIONISTS.

Hon. C. L. Vallandigham, of Ohio, closed one of his powerful speeches, at Dayton, O. on the 28th. ult., in the following manner:

"You hear from every quarter, through the Republican press, the alarm that it is the purpose of the Democratic party to re-inaugurate revolution and civil war. Let no man be in the least concerned. Unquestionably it is the fixed purpose of three millions of Democratic voters, with all the intensity which can fire the hearts of men born freemen and scorning to die slaves, if we shall fairly, constitutionally, and legally elect a President, to see that he is inaugurated at every hazard. It is our right, and our duty, too, as also it is the duty and the right of the Republican party, if they shall legally, constitutionally, and fairly elect General Grant. But no man meditates, openly or covertly, any thing beyond. No, gentlemen, it is the Republican leaders who are the revolutionists. It is they who are resolved, by all means and at every sacrifice of the rights of the States, the liberties of the people, and the peace of the country, to perpetuate their power, would again plunge us into both civil and social war, with all its horrors. But to the ballot, and not to the bullet, we now appeal. The people are wearied of the Republican party, and of its wrongs and perfidies, of its debts and its tariffs and its taxations, of its negro governments and military despotisms, of a dishonored Constitution and a broken Union, which four years of war and three years of peace, under its conduct and legislation, have failed to restore; and they demand and will have a change. And unless every sign and omen by which the political future may be discerned shall fail, so signal and disastrous will be the overthrow of this party in November, that they themselves will make haste to recognize and hearken to the voice of the people as the voice of God; and as chastened children in silence will submit to the judgment which is mercy to themselves, as to us and the whole country, shall drive them from the seats of power. No, gentlemen, no; there will be no more civil war in the land; but the sun at high noon shining on the eastern front of the Capitol, on the 4th. of March, 1869, will look down peacefully upon Horatio Seymour, President of the United States."

KANSAS—SPEECH OF GEN. BLAIR AT LEAVENWORTH.

LEAVENWORTH, Kansas, July 31.—General Frank P. Blair addressed an immense meeting this evening. His speech was principally devoted to the action of the Radical party in the reconstruction of the South, and the record of General Grant. He charged that the Republicans, having lost the confidence of the whole people of the country, had resorted to the support of the blacks; that it was from no love of the negro race that they enfranchised them, but only as a scheme to maintain themselves in power. He said he had nothing to say against General Grant personally, that his military services will ever be remembered with pride; but that since he had entered the arena of politics his acts, politically, were proper matters for public criticism. He said that General Grant had changed his views on the subject of reconstruction inconsistently, having at the close of the war urged the immediate admission of the Senators and Representatives from the Southern States, chosen then by the people of those States. But, he said, *the secret of the adherence of Generals Grant, Sheridan, and other regular officers to the Radical party is the tendancy of that party, which has overthrown the prerogatives of the Supreme Court and Executive branch of the Government, toward military despotism, which, being necessarily based upon military power, would give consequence to prominent officers of the army.* He said history shows that no party pursuing the course, and using the means adopted by the Radicals, can live and receive the support of the people. He denied that the sentiments expressed in his letter or the New York speech were revolutionary; that the people of the United States at the last elections had repudiated negro suffrage, upon which was based the whole reconstruction scheme; that to overthrow by proper constitutional means the Reconstruction acts is but carrying out the will of the people. He charged that the Radical party only are revolutionary. In a reply to a remark from the crowd, he said the Radical party have made copperheadism respectable. General Blair spoke about thirty minutes, his remarks being received with enthusiasm. At the close music and a brilliant display of fireworks followed.

COLORED MEN!

Look at the way things are working in the State of Mississippi. Negroes in that State who voted the Democratic (or Conservative) ticket, are given land *free of rent* for twelve months, they are furnished *mules* free of charge for twelve months; they are furnished stock *free of charge* for twelve months; they are furnished homes to live in twelve months, *free of charge*; they are furnished provisions to last them one year, on a credit of twelve months; the doctors attend their sick twelve months *free of charge*.

All this, and more, only because they voted in the interest of the white men of the South. There would be the same state of affairs in North Carolina, if the negroes would vote with the white men of the South. As long as they vote as they are compelled to do by the order of their *masters in the League*, they need expect no such favors from the citizens of North Carolina.

Come out from the Leagues, and range yourselves on the side of the respectable white men of the country.—*Exchange.*

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

SOUTHERN STATE BONDS,

By the aid of the carpet-baggers, some months ago, Southern State bonds were so puffed and bolstered as to command pretty good prices in the New York market, by which the brokers made handsome profits. By similar manipulations, the so-called "Constitootional Convenshun" in this State fixed upon the General Assembly the duty of paying a portion of the accrued interest on the North Carolina bonds in January next, and a still larger sum in July, 1869. Besides this, it introduced into North Carolina a new scheme of municipal government, which, of itself, will more than exhaust all the money of the people in carrying it out for the next year. And yet, with these large demands for excessive taxation, the Legislature is enlarging the public indebtedness by new railroad schemes, and, more than all, by the enormous expense of a proposed equipped "police force" and "loyal militia," which will demand more money than North Carolina can borrow.

The new government has just been in operation a month, and her Treasurer is already in the market to borrow $100,000! This is but a beginning, if the policy of the Radicals is carried out. These schemes, like the plans of the Radicals in the other Southern States, are seriously depreciating the value of Southern bonds. Without a check upon this spirit of reckless expenditure, before the General Assembly closes its present session, which will be in some ten or fifteen days, the credit of the State will be seriously embarrassed. Look at Tennessee.

We have been sincerely anxious to see the credit of the State revive. But how can this be done, so long as the productive value of the exports of the State is annually lessening, because of the large decrease of labor and the extravagance of her internal expenses and her annual imports? So long as the State is unable, as every man acquainted with her resources knows to be the case, to pay the annual interest on her public debt, now over one million of dollars, can the men who are controlling her affairs make any pretensions to honesty or integrity, when they promise to pay, and yet are making the State poorer, every day, by the excessive expenditure upon an untried municipal policy, which largely exceeds the expenditures of the past?

What hope is there, out of the wasted means of the people of North Carolina,—many of them now on the point of starvation,—to raise funds enough by taxation to pay the largely increased expenses of the State and county governments, the amount which will be demanded for the University (?) and the Public Schools, for a Penitentiary and the Public Charities, for the Utopian schemes in regard to the Hydrographic and Geological surveys of the State, and then for Gov. Holden's police force of 6,000 men, in addition to a "loyal militia" or volunteer force? Is there any integrity, any statesmanship, any proper appreciation of the condition of the State, when men thus rush blindly in debt?

It may be that Northern capitalists have more confidence in the statesmanship and financiering ability of those who are now controlling the destinies of the State, than we have. We believe that the Railroad schemes of the State, if prosecuted and managed with ability, will be safe investments, and ultimately will vastly improve the ability of the State to meet its obligations. But how can these important works be prosecuted with success, if the bonds of the State are to be depreciated by the reckless expenditures of the State government, for the purposes above named, putting it out of the power of the people to raise a tax sufficient to pay any portion of the interest of her public debt for years to come?

Let men ponder a moment. To meet the expenses of our State, county and municipal governments, for the next twelve months, including the amounts necessary for the Asylums, University, public schools, and other ordinary expenditures, cannot require less than a million of dollars, raised by taxation, in some form. This estimate is made upon the supposition that the attempt will be made to carry out the new *regime* in regard to county and township governments, and upon the large ideas prevailing on the subject of public schools, penitentiary, work-houses, &c. The taxes for all these purposes cannot fall much short of $75,000 for Wake county. The Federal tax upon the State will not, perhaps, exceed $500,000 for the next year. Now, if you add to this any adequate amount to equip and keep in the field a very small police or military force, how largely this amount will be swelled! The past year, the military force of the Federal government was a little over 50,000 men, and the expense was about $90,000,000,—being a little over a million and a half for every thousand soldiers! Will our legislators risk it? If so, how can anything be done to pay the interest on the public debt?

YESTERDAY—THE POLICE BILL.

It was generally expected that the "Police Bill" would come up in the House, on yesterday,—after having been duly manipulated through the Radical caucus of the preceding evening,—but no decent or fair man supposed that the atrocious gag-law, called the Previous Question, would be brought to bear, summarily, to stifle debate and *force* this execrable abomination through. But this was done.

As soon as the hour for the special order arrived, Seymour, the carpet-bagger who represents the negroes of Craven, offered a substitute for the original bill, (which only differs in villainy from the original, in that it slightly diminishes the compensation of the soldiers of the standing army,) and immediately demanded the Previous Question, as, doubtless, had been pre determined in treasonable mid-night conclave. This contemptible and infamous proceeding was denounced in proper terms, by Messrs. Durham and others, as a base outrage upon the part of the majority, and resisted in every possible form of parliamentary opposition. It finally prevailed, however,—investigation was choked off,—the rights of the minority were trampled under foot by the brute force of numbers,—and the "Declaration of War" passed its second reading. Not content with this, a further effort was made to press it through its final reading, but, two-thirds not assenting to the suspension of the rules, this was defeated.

We do not hesitate to pronounce the transaction in the House, on yesterday, as the most tyrannical and shameless that has ever disgraced the Legislative annals of North Carolina. It was reserved for the vilvent of carpet-bagism to introduce such atrocities in our good old State.

Here is a proposition, the avowed object of which is to arm one portion of our people against the other,—mainly negroes against whites,—and which, for the accomplishment of this hellish purpose, imposes an enormous tax upon our impoverished tax-payers,—and the minority are not allowed the common, decent privilege of lifting their voices against the diabolical scheme! And, this, too, at the immediate instance of a man, who has been in the State but a few years, and can have no possible identity of interest with our people! This conduct fully foreshadows the *purpose* of the authors of this measure.

We forbear further comment until we shall see the fate of this bill in the Senate, for we take it for granted it will be rushed through the House this morning. If it shall finally become a law, we shall call upon the people, in primary meetings, in every neighborhood in the State, to express their views in the emergency in the most unmistakable language.

THE RADICALS MEAN WAR.

The enemies of the Constitution and of free government, (we mean the Radical party,) have, for three years, been carrying on a bloodless war upon the rights and interests of the Southern people. They have quietly submitted to greater injustice, greater degradation, than was ever before imposed upon any people. Hundreds of thousands of negroes, half civilized and ignorant, have been declared by the Congress entitled to suffrage, while thousands of our best white citizens, in some States, have been disfranchised. And yet Congress calls these *republican* States with *republican* Constitutions!

To *force* these spurious governments upon the white people of the South, Congress placed them under a military despotism, and, to continue them among us, Congress and the Radical bogus State Legislature have determined to make war upon us, by arming the negroes and "foil-militia." Is not this *war*, open, bare faced *war*? Conservatives and Democrats propose to employ the ballot-box, openly and fairly, to change and modify those governments, in conformity with the fundamental principles of the Constitution of the United States. They desire no war—will seek no conflict; but they *will* resist, by all legitimate means, the fixing upon them and their children negro rule and negro domination, such as the Radicals are forcing upon us.

TENNESSEE.—This "trooly loil" State went up like a rocket and came down like a stick. Last year, the brokers all over the country praised Tennessee for her promptness in meeting the interest on her State debt. We do not know how she did this, but it was not by taxation.

At present, her Legislature is speaking of appointing an agent to fund the interest of her public debt for the next five years. It is said that fraudulent Tennessee bonds are in circulation in New York. A telegram from Nashville, on the 31st. ult., says it will take ten millions in Tennessee bonds to pay the expenses of Brownlow's militia already.

North Carolina Radicals would do well to take warning in time from the condition of Tennessee.

TAXATION.—Ex-Senator Pugh, of Ohio, in a recent speech at Cincinnati, said:

"It needs no argument to prove that we are the most oppressed people on the face of the earth. No people in any clime, in any country, ever did stagger under such a load of taxation as we now bear. And it may be said, no people will bear it; no people ought to bear it."

Whose fault is it but the fault of the Radicals? And yet we are asked to increase that burden, by the election of Grant and Colfax.

The meeting of the Goldsboro' Seymour and Blair Club was largely attended on Monday night. A large number of citizens, including several colored men, enrolled their names as members. Several Committees were appointed, including one of three colored members, whose duty it is to solicit others of that race to join the Club.

VOTE for Grant and Colfax and you vote for war and revolution.

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE

TUESDAY, Aug 4, 1868

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Mr. Miller.

The following bills passed their third readings, viz:

Bill to amend sections 2, 6 and 8, chapter 120, Revised Code. [This bill provides that the Governor shall have power to appoint Commissioners of Wrecks.]

Mr. Robbins stated that he was opposed to this one man power. It was unjust and an infringement upon the rights of the people.

Messrs. Barrow, Lindsay, Love, Melcinor, Mason, McLaughlin, Osborne, Purdie, Respass and Robbins voted in the negative.

Bill providing for filling vacancies that may occur in the General Assembly.

Mr. Robbins stated that he was gratified to see that *this* bill did not confer upon the Governor the power to appoint.

Bill in relation to county treasurers: The 1st section of this bill reads as follows:

"That it shall not be lawful for the county treasurers of this State to pay, out of the funds of the counties, any order or other certificate of indebtedness, issued by the late county courts, unless the same shall have been audited by the Board of County Commissioners."

Mr. Love protested against the passage of this bill, not because he was unwilling to have the acts of the late county courts investigated, but because it was a reflection upon the honesty and integrity of the members of the late select courts of the whole State.

Messrs. Love, Osborne, Robbins, Respass and Purdie voted in the negative.

Bill to incorporate the Salisbury Cemetery Association.

Bill providing for the payment of the burial expenses of the late Senator Hall, and allowing his widow *per diem* and mileage from the beginning of the session up to the 1st of August.

Bill authorizing Medical Colleges of the State to dissect dead bodies.

Bill to amend or repeal 9th section of an act to incorporate the Greenville and French Broad Railroad Company. The third section of this bill provides that the said Railroad Company may, in their discretion, make the northern terminus of their road at Asheville, in the county of Buncombe.

After some debate, on motion of Mr. Etheridge, it was recommitted to the Committee on Internal Improvements.

Bill to provide for a hydrographic survey of the State was discussed at some length, Messrs. Cook and Hayes urging its passage, and Messrs. Love, Respass, Robbins, Burns, Smith and White opposing it, on the ground that it would incur an unnecessary expenditure of the people's money.

On motion of Mr. Respass, it was indefinitely postponed, Messrs. Colgrove, Cook, Hayes, Legg, Martindale, Moore, of Carteret, and Welker, voting in the negative.

On motion, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

TUESDAY, Aug. 4, 1868.

The House was called to order at the usual hour.

Prayer by the Rev. Dr. Smith, of the city.

Mendenhall spouted on a question of privilege.

Pearson presented a petition from the citizens of Wayne. Referred.

By the same: A bill entitled "an act to repeal an act to appoint a tax collector for the county of Wayne." Passed, under a suspension of the rules.

A message was received from the Senate, concurring in the House resolution allowing Pages $3 per day.

Vest gave notice that he would introduce a bill to incorporate the town of Salem, in Forsythe.

By Laflin (c. b): A resolution to allow one Duffee (Yankee,) $7 per day for some useless service. The resolution was, of course, adopted.

Ingram (the Ku Klux man) said that he was a very honest old man, and didn't want to hurt anybody, and, therefore, moved to take up the bill providing that the County Commissioners shall appoint proxies to represent the stock owned by their counties in certain Railroads.

The bill was read, when Old Major Downing, being very affectionately poked in the ribs by Hayes, who sits by him, was suddenly aroused from his slumbers, and immediately demanded to know what the question was; whereupon Hayes whispered the desired information. The Major then moved to lay the matter upon the table.

The motion, to old Ku Klux's excessive grief, was carried. He arose from his seat, and, after casting a reproachful glance upon the Major, clasped his hands as it in prayer, and then, sinking into his seat, exclaimed in a tearful voice, "*et tu Brute!*"

The bill allowing all Sheriffs until the 1st. day of January, 1869, to collect taxes due and pay them into the Public Treasury, was read.

This created quite a noisy debate, and at length the old Major, angry because the din kept him from relapsing again into the arms of the drowsy god, moved to postpone it until Friday next, at 12 o'clock. This did not take so well, and the debate, much to the annoyance of the Major, continued.

After a good deal of squabbling, it was decided to refer the matter to the Committee on Finance.

A message was received from the Senate, concerning tax collectors. Refered to the Committee on Judiciary.

The bill regulating the term of holding Superior Courts in Halifax County, passed its second reading.

The bill preventing the distillation of grain, after a great deal of debate, was postponed until the 3rd. Monday in November next.

The bill concerning the qualification of certain officers passed its several readings, under a suspension of the rules.

The bill for the relief of Willis Grandy was recommitted to the Committee on Propositions and Grievances.

The Chair announced the Police Bill as the Special Order for this hour.

Seymour (c. b.) offered a substitute, which, in sum and substance, is almost identically the same thing as the original. It only changes the name from "police" to "militia," and decreases, slightly, the pay of its members, when on duty.

Seymour called the previous question.

Mr. Durham denounced, in proper terms, such a proceeding. He said such action was without precedent in the history of any legislative body in this country. Here was a substitute offered for the most important bill of the session, and yet the Conservatives were debarred the right of discussing it. The late Convention, in the height of its iniquity, never perpetrated such an outrage upon the minority as this. No one had been given an opportunity to examine the provisions of the substitute, and yet, by this infamous gag-law, we, and the people we represent, are not allowed to be heard. Mr. D. then moved to adjourn, and called for the yeas and nays.

The call was sustained, and the roll being called, resulted in the following ballot:

YEAS.—Messrs. Argo, Armstrong, Boddie, Barnett, Clayton, of Transylvania, Davis, Durham, Davidson, Farrow, Gatling, Gibson, Grier, Hodnett, Hicks, High, Humphries, Hawkins, Jarvis, Kelly, of Davie, Leary, (negro,) Moore, Matheson, Nicholson, Robinson, Smith, of Alleghany, Sinclair, Shaver, Thompson, Whitley, and Williams.

NAYS.—Messrs. Ames, Ashworth, Bowman, Blair, Barnes, Banner, Carson, Candler, Clayton, of Chowan, Crawford, (negro,) Cawthorn, (negro,) Dixon, Downing, Ellington, Estes, Foster, Forkner, (negro,) Gahagan, Gunter, Gilbert, Hutchings, (negro,) Harris, of Wake, (negro,) Hodgin, Hayes, (negro,) Hinnant, Hendricks, Justice, of Henderson, Justice, of Rutherford, Kinney, Kelly, of Moore, Long, of Chatham, Laflin, Morrill, Mendenhall, McCanless, Moring, Pou, Price, (negro,) Parker, Proctor, Pearson, Robbins, (negro,) Renfrow, Rea, Smith, of Martin, Stilley, Simonds, Seymour, Stevens, Sykes, (negro,) Seigrist, Stanton, Vestal, Vest, Wilson, Williamson, (negro,) Wiswall, and Waldrop.

Mr. Durham then moved to lay the whole matter on the table, and called the yeas and nays upon the motion. The call was sustained, and the motion was lost, by a vote of yeas 33, nays 58.

Mr. Durham changed his vote from the minority to the majority, in order to move a reconsideration, which motion he made, and demanded the yeas and nays upon it.

The Chair ruled him out of order, whereupon Mr. Durham moved to adjourn, and called for the yeas and nays.

The call was sustained, and the roll, being called, the motion was lost by a vote of yeas 31, nays 61.

Mr. Durham again moved to adjourn and called for the yeas and nays. The Chair ruled the motion out, saying when a motion to adjourn is put and lost, some business must intervene, before another motion to adjourn can be made.

Mr. Durham appealed from the decision of the Chair, and upon the appeal called for the yeas and nays.

The roll being called the decision was sustained by a vote of yeas 65, nays 24.

Mr. Sinclair moved to adjourn and called for the yeas and nays. The call was sustained, and the roll, being called, resulted in a vote of yeas 27, nays 57.

Mr. Durham then moved to recommit the bill, with the substitute, to the Committee on Military Affairs. The Chair ruled the motion out of order. Mr. Durham appealed from the decision. The Chair ruled the appeal out of order, saying that the Chair had been sustained by the action of the House upon the same point.

The question recurrred upon Seymour's (the man who takes off his spectacles to read and puts them on to talk) call for the previous question, which was put and carried.

Mr. Durham moved to adjourn and called for the yeas and nays upon the motion. The call was sustained, and was lost by a vote of yeas 27, nays 55.

Mr. Argo moved that the substitute be read, and, on that motion, called for the yeas and nays. The call was sustained and resulted in a vote of yeas 47, nays 38.

The substitute was then read and the question recurred upon its adoption.

Mr. Durham called for the yeas and nays upon its passage. The call was sustained and the roll being called resulted in the following ballot:

YEAS.—Messrs. Ashworth, Bowman, Blair, Barnes, Banner, Candler, Clayton, of Chowan, Cherry, negro, Cawthorn, negro, Dixon, Downing, Ellis, Estes, Foster, Forkner, Gahagan, Gunter, Gilbert, Graham, Hutchings, negro, Harris, of Wake, negro, Horney, Rodgin, Hayes, negro, Hendricks, Ingram, Kinney, Long, of Chatham, Laflin, Morrill, Mendenhall, McCanless, Price, negro, Proctor, Renfrow, Reynolds, Rea, Stilley, Seymour, Sykes, negro, Siegrist, Stanton, Vestal, Vest, Williamson, negro, Wiswall, Waldrop.

NAYS.—Messrs. Ames, Argo, Armstrong, Boddie, Clayton, of Transylvania, Davis, Durham, Davidson, Farrow, Gatling Gibson, Grier, Hodnett, Hicks, High, Hinnant, Hawkins, Justice, of Rutherford, Jarvis, Kelly, of Davie, Kelly, of Moore, Leary, negro, Moore, Matheson, Nicholson, Pou, Proffitt, Robinson, Smith, of Alleghany, Smith, of Martin, Sinclair, Shaver, Thompson, Whitley, White, Williams.

Seymour, (c. b.) moved to suspend the rules, and place it on its second reading. The rules were suspended, and the substitute was placed on its second reading.

Mr. Durham called for the yeas and nays. The call was sustained, and the substitute passed its second reading, by a vote of yeas 56, nays 27.

Mr. Durham moved to adjourn, and on that motion called the yeas and nays. The House refused to adjourn by a vote of yeas 28, nays 58.

Seymour moved to suspend the rules and put the substitute on its third reading, and, on that motion, called the previous question.

The call for the previous question was sustained. The question recurred upon the motion to suspend the rules.

The motion was lost by a vote of yeas 54, nays 35—not a two thirds vote.

The substitute was ordered to be printed, and placed on each member's desk, and made the special order for to-morrow, at half past 10 o'clock.

On motion of Mr. Sinclair, the concern dispersed.

IN THE speech which Wade Hampton delivered at Charleston, on the 24th ult., he makes the following suggestion in regard to the negro vote:

"Try to convince the negro that we are his real friends; but if he will not be convinced, and is still joined to his idols, convince him at least that he must look to those idols, whom he serves as his gods, to feed and clothe him. Agree among yourselves, and act firmly upon the agreement, that you will not employ any one who votes the Radical ticket."

And he goes on to say that, inasmuch as the negro will vote whether or not, the wisest thing for the Democratic party to do is to secure his assistance by every means in its power.

"A FRAUD ON THE PEOPLE NORTH AND SOUTH."—Somebody telegraphs from Washington that the newly admitted Congressmen and other Southerners have been conferring with "Republican leaders," and have decided that it will be best for Presidential electors in the reorganized States to be chosen by the Legislatures, as South Carolina used to choose hers. The argument for this monstrous proposition is that it will prevent all disturbances and fraud; but it will be itself a fraud on the people North and South. We hope no Republican worthy to be called a leader has given his sanction to such nonsense.—*Springfield Republican, (Rad.)*

The New York *Herald* consoles itself with the impression that the nomination of Seymour "fell flat as a pancake" in *Europe!* The Democracy of America consoles itself with the fact that the nomination of Grant fell flatter than a pancake in the United States. While Europe may vote for Grant America will vote for Seymour; then we'll see who is to be President.

The Radicals attempted to get up a Grant and Colfax pole and flag raising in a town in Connecticut the other day, and could not muster force enough to erect the pole. They had to call upon Democrats for assistance.

COLLEGES AND SCHOOLS.

Louisburg Female College,

FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to

June 15-tf T. M. JONES, President.

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

MEETING AT BANKS'.—We are gratified to learn that there was an enthusiastic meeting of the friends of Seymour and Blair, at Banks', on Saturday. A Club was formed, and upwards of sixty white men, good and true, and several colored men, enrolled their names as members. One of the colored men, who joined, was, until recently, an officer in the "Loyal League."

CALL ON W. H. CROW, Esq., General Agent of the Ætna Life Insurance Company, at his office, over Tucker's Iron-Front Store, and purchase one of the "Common Sense Sewing Machines." Or persons living abroad would do well to send in an order for one, accompanied by the cash, and it will be promptly forwarded. It is the best investment out,—saves time, saves money, saves trouble and promotes comfort. As a birth day or holy-day present to wife, daughter or female friend, it is the very thing.

THANKS to Jno. W. Perry, Esq., of Mudlick, Chatham, for a Club of seventeen subscribers to the Weekly *Sentinel*.

OUR FIRST PAGE.—We direct attention to the interesting matter on our first page, this morning,—embracing eloquent and significant extracts from late speeches by Gen. Blair, ex-Senator Pugh and Mr. Vallandigham.

THE SEYMOUR AND BLAIR MEETING.—T. M. Hughes, Esq., the President of the Seymour and Blair meeting, which was held at the Court House, on Monday evening, has appointed seventy delegates, from Raleigh Districts Nos. 1 and 2, to attend the County Convention on Saturday next, which is to designate delegates to the State Convention. Mr. Hughes, by the way, on assuming the duties of the Chair, made a short, but very effective, speech. We hope to hear from him often. The following are the delegates, viz:

Marshall Earp, Alvis Sorrell, Geo. Thompson, Henry Pennington, John C Palmer, C B Allen, W N Andrews, R Dobbin, Hilliard Bell, J H Sparks, J Q DeCarteret, W F Askew, E E Harris, Jeptha Horton, O D Lipscomb, J M Betts, John Nichols, J A Moore, Alex Creech, Wm Thompson, jr., H T Clawson, Isaac Oettinger, C H Weathers, Len H Adams, J J Overby, Seaton Gales, Ed Graham Haywood, N S Harp, David Williams, D L Royster, Alfred Upchurch, C Kuester, E H Ray, Thomas Jenkins, R B Haywood, Osborne Holt, Frank Brunson, R H Battle, jr., R C Badger, M A Bledsoe, C B Root, A D Royster, J C Birdsong, J Rosenbaum, J C Marcom, John C Syme, W E Pell, jr., John C Gorman, J P H Russ, C M Busbee, S C White, Albert Magnin, J A Collins, W R Crawford, Wadsworth Smith, W C Parker, Peyton Williams, W T Womble, J M Blair, John W Johnson, M Grausman, Ed Lougee, W G Briggs, W D Johnson, N V Denton, John Sugg, B Small, Lewis Voorhees, Zach Potter.

ATLANTIC AND N. C. RAILROAD.—At the meeting of the Stockholders of this Road, held at Morehead City, on the 30th. ult., Messrs. Julius A. Gray, of Greensboro', A. G. Hubbard, of Newbern, B. F. Parrott, of Lenoir, and Isaac Ramsey, of Beaufort, were elected Directors. At a subsequent meeting of the Directors, Mr. E. R. Stanly, of Newbern, was elected President.

We believe all the old officers of this Road have been removed. We hope that the new incumbents will do better in the management of the Road, than the Holdenites did on a former occasion. It would require all the ability, and all the means, and all the influence of the friends of that Road, to make it pay, under the best of circumstances, but, divided as its friends are, by local interests, and personal and political differences, we can expect but little from it. We would not cry if some shrewd capitalists could see money in it, and would be willing to pay the State and private Stockholders seventy-five cents in the dollar on the cost of the Road. Indeed, the Railroads, in which the State is interested, have been made such constant sources of political manœuvering and conflict, that we should not regret, any day, if the State could dispose of her interest in them at *par*. We have always thought that the Raleigh and Gaston Railroad acted wisely in buying out the State's interest, and its future will prove it.

ARE YOU for war, for military rule, for an Imperial central Government and for a Dictator or Emperor? Vote for Grant and Colfax.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

THE APPROACHING STATE CONVENTION.

The indications multiply that the Democratic and Conservative State Convention, on Thursday of next week, will be a great success. Large delegations will be here from various quarters. Newbern, Wilmington, Goldsboro, Hillsboro, Greensboro, Salisbury, Charlotte, Franklinton, Henderson, Warrenton and Weldon ought to be fully represented. We learn, from the *Journal*, that the New Hanover delegation are negotiating with the Railroad authorities, and that the Committee of Arrangements will have music, banners and transparencies ready. Neighboring counties have been written to to join with them in the excursion, and the Democracy of the lower Cape Fear are preparing to cheer the hearts of their friends throughout the State.

We are authorized to state that extra trains will be run over the Raleigh and Gaston Road, during the sitting of the Convention, and that visitors will be transported for one fare. Due announcement of the time of running the trains will be made.

We regret that similar liberal arrangements cannot be made with the North Carolina Road. On that Road, extra coaches will only be put on regular trains, and delegates and others will be compelled to pay full fare. This, we hope, will not deter our friends from coming in large numbers.

Raleigh must be preparing to entertain her guests. We beg the Young Men's Seymour and Blair Club of the city to go actively about arrangements for their reception. Let Committees of Reception, on Entertainment, on Funds, on Celebration, &c., be at once appointed, and let them lose no time in going to work.

In one word, let us have a grand demonstration of the true sons of North Carolina, and the friends of Constitutional Union.—Let us set the ball in motion, which will sweep over North Carolina!

STATE NEWS.

The Democratic Club of Wilmington had a large and enthusiastic meeting on Friday night last, which was addressed by Maj. J. A. Engelhard and Col. A. M. Waddell. By the adoption of a resolution, the *whole Club* was tendered as an escort to the delegates from New Hanover to the State Convention next week. Hurrah for Wilmington!

The *Old North State* says that during the delivery of Mr. Boyden's speech in the House of Representatives against the bill to send arms to the Southern States, Heaton, the Northern adventurer who represents the Newbern District, approached him for the purpose of remonstrating with him against his course.

"Mr. Boyden," said he, "you do not seem to understand the condition of things in North Carolina."

"*Perhaps I do not,*" said Mr. Boyden in the severely sarcastic manner peculiar to him, *as I have lived there less than three years.*"

As might have been expected the Col. returned to his seat again in quick time, and made no effort to reply to Mr. Boyden's speech.

We learn, from the Wilmington *Star*, that, a few days since, a negro was up before Holden's new Mayor, on some charge, and was fined $20. The prisoner had no money, and, in company with a policeman, he called on a number of his Radical friends to assist him in paying the fine, that he might be released from confinement and enabled to resume his work. None of them "had a dollar"; and finally a "rebel" was applied to, who not only "had a dollar," but cheerfully *paid* the amount of the fine, and the colored man was released. Here is a nut for the negroes to crack!

At the last meeting of the Democratic Club of Wilmington, the following excellent resolutions were adopted. They embody the plan which should be generally adopted:

"WHEREAS, The Elective Franchise is now exercised in North Carolina by all classes, without distinction of race or color; and whereas, it is manifestly expedient and conducive to the success of the Democratic party in said State, to increase its numbers by accessions from all classes of electors; therefore

Be it resolved, 1st, That this Club will use every honorable means to influence colored electors of New Hanover county to become members of the Great National Democratic Party, and will, by facts and arguments, show them that it is to their interest to vote with the party that will sustain a constitutional government.

2d. That, to aid in accomplishing this object, a committee of three, to be appointed by the President of the Club, shall solicit all employers of laborers or mechanics to enter into and sign an agreement in the following words, to-wit:

"We, the undersigned, do mutually agree that, in the employment of mechanics and laborers, we will, in all cases, give preference to members of the Democratic or Conservative party, who have in their possession, and present to us, evidence of such membership; and that when we have once employed them under the assurance that they are members of a Democratic or Conservative Association, if afterwards they should desert their party, and vote with the Radical party, then, in that event, we pledge ourselves that we will give such as so desert and prove false to their assurances, no employment whatever, under any circumstances, except in cases of most urgent necessity.

We furthermore agree that this shall be binding from and after the expiration of the several terms of employment of mechanics and laborers now entered into by us."

The Democrats and Conservatives of Orange met in Hillsboro' on the 30th., and appointed delegates to the State Convention. That gallant gentleman, Col. Ed. Hall, of Wilmington, being present, forcibly addressed the meeting, as did other gentlemen,—among them Jno. W. Norwood, Esq., whose speech is spoken of as one of great power and ability.

Gov. Vance has gone to Wilkesboro' to address a Seymour and Blair mass meeting.

Holden's new Board of Aldermen in Charlotte have appointed one negro policeman.

The negroes of Hopewell, Mecklenburg, have formed a Democratic Club. A large number have joined it, and they have officers of their own. It is confidently expected that at least 125 or 150 colored votes may be relied on in this neighborhood for the National candidates. Keep the ball moving!

Correspondence of the Sentinel.

WASHINGTON, N. C., July 31, 1868.

EDITORS SENTINEL:—A word from old Beaufort may not be uninteresting to your readers. We are about to open the canvass for Seymour and Blair with spirit and with determined resolution to carry the county in November. It was fairly carried in the last election, although several hundred majority were footed up against us by the scalawags and Yankees who held the polls. We do not intend to be defrauded again,—"the man who writes himself Governor," and all his negro militia and policemen, to the contrary notwithstanding. All who are entitled to vote will be fairly counted. We intend to see to this. Let the same result be secured in every county, and there can be no doubt as to the result. This should be the leading object of a thorough organization. Get out the Conservative vote and see that the vote is counted.

A Seymour and Blair Club was organized on the 23rd. inst., with great enthusiasm. They have adopted a Constitution and By-Laws, and are to meet weekly, or oftener as occasion may require. Messrs. Sparrow and Satterthwaite both declined the Presidency, because they expected to be too much occupied in the canvass, to attend to its duties. The following are the permanent officers:

President.—David T. Tayloe.
1st. *Vice President.*—Seth K. Cordan.
2nd. " " John McDonald.
3rd. " " John R. Carmer.
Recording Secretary.—George A. Sparrow.
Corresponding " L. E. Sattertwaite.
Treasurer.—Charles K. Gallagher.
Executive Committee.—Thomas Sparrow, J. Blakeley, O. W. Telfair, T. J. Camault, William Shaw, L. E. Quinn, W. R. S. Burbank, S. A. Jackson.

The Club was addressed at its meeting on Monday night last, by Col. D. M. Carter, who had just returned from the New York Convention. His account of the proceedings of that body was entertaining, and gave immense delight to his hearers. It was in his best vein. He is enthusiastic in support of the ticket, predicts for it a triumphant success, and will do good service in the coming campaign.

A ratification Mass Meeting is to be held here on Saturday, the 8th. of Aug., which we intend to make a spirited affair. A full representation is expected from Hyde and Pitt, and other counties adjoining. Delegates will be appointed to attend the Raleigh Convention on the 13th.

Let every man in North Carolina, who loves liberty, determine by God's help to throw off the galling yoke of despotism which has been fastened on us by our malignant oppressors, and the good old State will be redeemed!

Yours, &c.,
A.

RATIFICATION MEETING IN LICK CREEK DISTRICT.

At a meeting of the Seymour and Blair men of Lick Creek District, on the 1st. inst.,

On motion of S. J. Allen, Esq., Thomas Bailey was called to the Chair and J. P. Chandler requested to act as Secretary.

The object of the meeting being explained by the Chairman, the following gentlemen were appointed as a Committee to draft resolutions: W. J. Suit, S. J. Allen and M. D. Holloway, who reported the following:

Resolved, That the object of this meeting is to form a Seymour and Blair Club.

Resolved, That we hail the platform of principles recently put forth by the National Democratic Convention in New York, and the nomination of Horatio Seymour, of New York, and Francis P. Blair, of Missouri, as the leaders of the great army of the Constitution, as the harbinger of better days to the Republic, and as a pledge that the American people will knock off the shackles of the South, and restore again the Constitution and the Union.

Resolved, That we pledge ourselves to labor for the propagation and establishment of the principles of the National Democratic platform, and the election of the nominees.

Resolved, That while we are the advocates of law and order, and of becoming submission "to the powers that be," yet we shall ever labor, by all lawful means, for the restoration and establishment of a truly republican State Government, in the place of the bogus government forced upon us by Congress.

Resolved, That the Chairman appoint ten delegates to represent us in the County Convention, to be held in Raleigh, on Saturday, the 8th. inst.

The following delegates were appointed, viz: S. J. Allen, Fendal Bevers, C. Dunn, D. S. Fletcher, Thos. Cazort, W. J. Suit, J. W. Wiggins, H. W. Nichols, T. D. Hall and W. P. Holloway.

On motion, the Chairman and Secretary were added to the list.

During the retirement of the Committee, the meeting was effectively addressed by W. J. Suit and S. J. Allen, Esqs.

On motion, a Committee of two was appointed, to wit: S. J. Allen and J. P. Chandler, to invite speakers to address us on the 15th., at W. J. Suit's.

THOS. BAILEY, Chairman.
J. P. CANDLER, Secretary.

Grant is said to be quite disgusted with his new party friends. He has discovered that being a candidate for President does not compensate one for even a little time wasted with his new bed fellows. He has been reading over the Chicago platform, and is unable to ascertain what it means.—He says the "goll durned thing" reads as well one end up as the other. Washburne explained it to him, but he has forgotten the points.—*Albany Argus.*

Radicalism wishes to make 714,718 ignorant negroes permanent voters. If this is done those negroes will hold the balance of power hereafter in this country. At every Presidential election since 1852, three-quarters of a million of voters, as between the two highest candidates, would have reversed the day. In 1856, 714,748 more votes would have elected Fremont; in 1860, would have elected Douglas; in 1864, McClellan.

The *Tribune*, by way of caution to bankers, jewelers and owners of plate, announces that B. F. Butler is in New York. The Brooklyn *Eagle* has a reporter on guard at each of the ferries and will instantly warn its readers if he attempts to come to Brooklyn.

A RADICAL paper intimates that Frank Blair stole a set of silver spoons in North Carolina in 1865. If this charge is not withdrawn, remarks a cotemporary, at least half the New England Radicals will vote for Blair in spite of the deuce.

Our Midnight Dispatches.

FROM WASHINGTON—ILLNESS OF THAD STEVENS—IMMENSE DEMOCRATIC GAIN IN KENTUCKY.

WASHINGTON, August 4.

Thad Stevens is seriously ill in this city.

Returns from all parts of Kentucky show an immense increase of Democratic majorities, and a falling off of the Radicals. Stevenson's majority will probably reach sixty thousand.

In Louisville, Stevenson received eight thousand two hundred and forty-four; his Radical opponent four hundred and ninety-two.

The International Commercial Convention met here to-day. Over two hundred delegates were present. After organizing, it adjourned till this afternoon.

At cabinet meeting to-day, four members were absent: Seward, Randall, Schofield and Evarts.

A Convention of colored citizens of the border States was held in Baltimore to-day.

Rumors relative to a change in Internal Revenue Commissioner continue in repose. In response to a second request to accept that office, Ex-Gov. Cox, of Ohio, sent a telegram, persisting in declining the appointment.

Caleb Cushing has resigned his position as one of the Commissioners to codify the United States' laws.

FROM GEORGIA—GRAND SEYMOUR AND BLAIR RATIFICATION MEETING.

AUGUSTA, Aug. 4, P. M.

A grand Seymour and Blair ratification meeting was held at Aiken, to-day. Three thousand persons were present, Generals Hampton, Butler and others spoke. Two colored men spoke. A colored Democratic Club was in procession.

FROM ALABAMA—THE LEGISLATURE.

MONTGOMERY, Aug. 4, P. M.

The whole day was consumed by the House in a wrangle over the bill allowing access to railroads and steamboats, without regard to color. The billp assed 44 to 32. The Senate discussed the bill removing political disabilities, but without any final action.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified *since* the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject ed and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to intertere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard.

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs. Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, *when* they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members; and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made may stamp it before it is used; and, if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties,

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
